

Commercial Grade Refrigeration Equipment

Kegmaster 2

- Heavy-duty construction
- Stainless steel top with removable drip tray
- Stainless steel interior
- Optional 1-, 2- and 4-faucet towers
- Tecumseh 1/5hp compressor
- Swivel wheels for ultimate mobility

Size without packaging HxDxW	39x31x24 in
Int. volume	7.56 cu ft
Capacity	1/2 barrel - 1 keg, 1/6 barrel - 4 kegs
Tower	American 3" or Gefest St. steel
Height with tower	52"(American) / 58"(Gefest)
Noise	Not more than 45 db
Forced interior air circulation	Yes
Evaporator type	Dynamic cooling, ribbed pipe
Forced condenser cooling	Yes
Operating amperage	3.7 A
Thermostat model	Danfoss ETC 1C1 (manual)
Compressor type	Tecumseh AEA3417YXA
Compressor capacity	1/5 hp (574 Wt)
Refrigerant type	R-134a
Wall thickness	1.7 in, foam filled
Interior material	Stainless steel
Door Lock	Yes
Wheels	Yes
Weight (Net)	145 lbs (66 kg)
Branding	Available as an option
